

Here at Hillsborough Arena we are passionate about the catering we deliver.

We endeavour to offer quality, home cooked food on all of our buffets & menus.

We pride ourselves on our flexibility and we welcome you to talk with any of our event managers to discuss your catering needs and are happy to tailor and create a food offer unique to you.

We also allow you to bring your own catering if you choose but please note that no food items may be brought in to the venue before 6.30pm and this option does carry a £20 service charge

Please note - all of the above items are a guide to the catering that we offer. We may seasonally amend items.

Please ask us about tailoring your buffet to suit any special dietary requirements or

intolerances,
